WELCOME TO MOLD GOLF CLUB

Based in the picturesque village of Pantymwyn, near Mold in Flintshire, North Wales Mold Golf Club boasts an 18-hole parkland course, offering extensive views of the Clwydian Hills, Cheshire and the Peak District.

“Award winning 18 Hole parkland Golf Course”

Facilities include a practice ground, putting green and full catering services. From the higher part of the course, some 850 feet above sea level, a colourful panorama opens out. To the North are the Halkyn Plateau and Dee Estuary with Wirral and Merseyside beyond. Eastward the Cheshire Plain extends into the blue distance. The Clwydian Hills culminating in the familiar landmark of Moel Famau form a picturesque rampart to the west.
